

Agreement

This framework agreement provides access to a panel of leading legal services providers. The appointed firms are all able to meet a broad range of NHS/healthcare needs for legal services, including:

- NHS Governance and Public Law
- Healthcare Law
- Mental Health Law
- Employment Law
- Contract and Commercial Law
- Property Law
- Corporate Finance and PFI

Background

This agreement is the output of a collaborative competitive tender process and gives NOE CPC member organisations access to a panel of leading law firms, which can be accessed via an OJEU compliant framework.

The appointed firms provide a broad range of legal services to the NHS and other healthcare providers. Services can be purchased at competitive rates on either an hourly or fixed rate basis, with firms also providing initial free telephone consultation and advice, and free legal training for customer organisations. There is also the provision to undertake a mini competition to engage a provider on a fixed term or project basis.

The agreement is the output of a robust OJEU compliant procurement process, which enables participating organisations to demonstrate both compliance and value for money.
