

Clinical Consumables

Background

This Framework has been awarded to 50 suppliers, with another 5 yet to sign Agreements, making 55 in total across 8 separate Lots:

Lot 1: Procedure Packs

Lot 2: Single Use Instruments

Lot 3: Single Use Drapes

Lot 4: Single Use Gowns

Lot 5: Theatre Hats and Masks

Lot 6: Surgeon Gloves

Lot 7: Examination Gloves

Lot 8: Patient Warming and
Temperature Management

The Framework will be able to offer Direct Award for most lots, with the exception of Lot 1: Procedure Packs, where it is intended that Trusts will fulfil their requirements under this Lot through Further Competitions, or by adding current purchased packs to the Framework for Direct Award.

Benefits

The Framework provides NHS trusts with a legally compliant access to the market, with the benefits of significantly reduced procurement timescales and access to cost-effective and quality approved suppliers.

Pricing Structure

Suppliers were given the opportunity to submit Firm (i.e. not subject to variation) banded prices, based on volumes, and additional discounts for commitment for the initial period of the Framework Agreement.
