

Peritoneal Dialysis

Contract duration: 01/04/2016–31/03/2019
(plus option to extend by 1 x 12 months)

North of England
Commercial Procurement Collaborative

Background to framework

The Peritoneal Dialysis National Framework went live on 1 April 2016 and includes :

- Fluids
- Ancillary items
- Therapies
- Therapy summary
- Holidays
- Training
- Additional charges
- Innovative offers and discounts

Benefits

- **One stop shop** – Comprehensive coverage of all equipment, consumables
- **Ease of use** – Framework structured on a direct call-off basis
- **Compliance** – Offers a fully compliant, easy to access, nationally agreed pricing structure.

Pricing Structure

The framework offers a National pricing structure available to all NHS organisations, with prices fixed for at least the first 24 months of the agreement.
