East of England NHS Collaborative Procurement Hub

## Background to contract

The framework incorporates the following seven lots:

- |                                   |                           |
|-----------------------------------|---------------------------|
| Lot 1: Telecommunications         | Lot 5: Estates            |
| Lot 2: Energy – Electricity & Gas | Lot 6: Accounts Payable   |
| Lot 3: Water                      | Lot 7: Temporary Staffing |
| Lot 4: Value Added Tax            |                           |

This agreement is the output of an initiative by East of England NHS Collaborative Procurement Hub. The agreement is open to all trusts served by the NHS Collaborative Procurement Partnership (CPP), which is a strategic partnership between NOE CPC, East of England Collaborative Procurement Hub, NHS Commercial Solutions and NHS London Procurement Partnership.

The framework allows the option to directly award to appointed suppliers or undertake a further competition.

## Benefits

The framework offers a number of service providers who will:

- Identify sources of lost cash
- Conduct audits of categories of spend
- Recover overpayments
- Provide benchmarking information on performance
- Multiple access opportunities

(accounts can be audited more than once)

- Provide recommendations and improvements for sustainable savings.

In addition, the framework identifies a number of providers who will:

- Work on a 'no win-no fee basis'
- Only receive the pre-agreed percentage for the services provided once monies have been recovered.
