

# Breast Prosthesis Internal and External

North of England  
Commercial Procurement Collaborative

Contract duration: 01/12/2012–31/03/2017

## Background to framework

This framework for the provision of internal and/or external breast prosthesis, implants, garments and related products and services will standardise and rationalise external and internal breast prosthesis while maintaining quality and clinical effectiveness.

## Benefits for your trust/organisation

- Covers both internal implants and external prosthesis including garments
- All key players included
- Access is via call-off of published banded pricing
- By participating in this agreement NHS organisations demonstrate that they have robustly market tested this key area
- On-going central support of NOE CPC will be provided to all involved stakeholders throughout the life of this contract

## Products included

All Internal breast prosthesis, augmentation and related consumables:

- Breast implants
- Tissue expanders
- Shapers
- Other accessories

All external breast prosthesis, garments and related items:

- External breast prosthesis
- Breast care services garments
- Breast care services related items

## Savings

Trusts looking to rationalise and standardise can conduct further mini competitions facilitated by NOE CPC.

## Suppliers

External suppliers:

- Amoena UK Ltd
- Thuasne Thamert
- Trulife Ltd

Internal Prosthesis (implants and augmentation)

- Allergan Ltd
- Mentor Medical Systems Ltd
- Nagor Ltd

*Commitment discounts are applicable against Mentor InJ breast prosthesis.*
