

Minimal Invasive Surgery Consumables and Related Items

Contract duration: 01/07/2012–31/03/2017

North of England
Commercial Procurement Collaborative

Background to framework

NOE CPC, in consultation with its members, recognised that there was a need establish a framework for the supply of minimal invasive surgery consumables and related items.

The framework has been awarded to 17 suppliers who have offered 3 year fixed framework banded pricing, which will be accessible on a framework call off basis to all NOE CPC members.

This framework also provides an opportunity to conduct a further competition where a trust wishes to rationalise, standardise and commit to a supplier or suppliers for a fixed period of time.

The framework offers a wide range of suppliers with an equally wide ranging and accessible product portfolio including the following Lots:

Endo-mechanical surgery products including:

- Ports and trocars
- Suction irrigation
- Stapling and laparoscopy
- Multi-clip appliers and cartridges etc.

Endo-energy surgery products including:

- Sealer dividers
- Ligation
- Harmonic scalpel
- Endo surgery power supply (generator)

This list is not exhaustive and is meant as a guide only of what is included or accessible via this framework.

Benefits for your Trust/organisation

Value for money

With published framework pricing and the opportunity to further compete providing opportunity for rationalisation, standardisation and cash releasing savings ensuring value for money.

Market testing

Through participating in this agreement Trusts can demonstrate that they have robustly market tested this key area.

Offers Trusts a 'one-stop-shop'

Trusts/PCTs ultimately have access to all suppliers on the framework who have the capability to supply the products and services they require and can take advantage of this at any time during the life of the framework agreement.

Cost saving opportunities

Trusts are able to take advantage of preferential pricing for commitment of spend and the benefit of a collaborative approach.

Contract management

On-going central support of NOE CPC will be provided to all involved stakeholders throughout the life of this contract.
