

Orthotic Service

North of England
Commercial Procurement Collaborative

Contract duration: 01/04/2014–31/03/2018
(plus option to extend by 3 x 12 month periods)

Background to contract

This is a renewal of the previous framework for the provision of orthotic services, which delivered a high level of services throughout its duration.

The robust tendering process has ensured that NOE CPC has a reliable, flexible framework which is responsive to its customers' needs.

The suppliers have products that enhance patient care and meet the unique needs of healthcare professionals.

Benefits

- Cash releasing benefits
- Contract compliance
- Improvements on service
- Prices fixed for the first two years
- Service only or service and product option or bespoke mini competition for a fully managed service
- KPIs that relate to the key drivers for provider trusts

- Specialisms for service (adult and paediatric)

Appointed suppliers

- Chas A Blatchford & Sons Ltd
- Opcare Ltd
- RSL Steepers
- Taycare Medical Ltd

"Paul clearly has a very good knowledge of the Orthotics Service which has been invaluable in guiding a relatively new management team, not only in the choice of provider but in the ongoing liaison with the private provider and how best to ensure productive working relationships."

Jonny Hammond, General Manager and AHP Lead, Elective Care Directorate, Harrogate and District NHS Foundation Trust

"We are very pleased that we now have a contract that offers us best value and the continuity that we require for our patients/clients as well as helping to achieve some of our financial savings."

Anne Bontoft, Orthotics Department, Scunthorpe General Hospital
