Each requirement under a DPS must be competed and all providers a	spointed to the DPS must be invited to bid. Direct award is not permitted under a DPS.
To support the Stage 2 call-off process, NOE CPC has developed has to provide a list of potential providers by:	nctionality to allow Contracting Authorities to filter individual project requirements, in order
Works Category (multi-select available) Geographical Location by STP region Organisational/Individual Locences, Accreditations & Certified Asser	sament Schemes (sptionel)
The resulting list will detail the following information, which can then b	e exported and used to invite potential providers to quote.
Work Categories	
Air Conditioning/Refrigeration	IT Installations
Ancillary Works for Pipelines and Cables	Joinery
Asbestos Ramoval / Treatment / Analytical Services	Landscaping
Bindu/Shutter/Curtain Installation	C Life
Brick And Blockwork	Listed Building Work
 Building (General) 	C Lockanitha
	Low Veltage Installation Work
